Jensen ("Petitioner"). Notice of receipt of this petition was published in the Florida Administrative Weekly on August 9, 2002, at Volume 28, Number 32. At the August 16, 2002, hearing on this matter, the Petitioner was not present, nor was she represented by counsel. The Board was represented by Susan B. Bodell, Assistant Attorney General.

Having considered the petition, the Board makes the following findings and conclusions.

4. Petitioner requests that the Board approve Petitioner's proposed supervised practice.

### CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to Section 120.565, Florida Statutes, and Chapter 28-4, Florida Administrative Code.

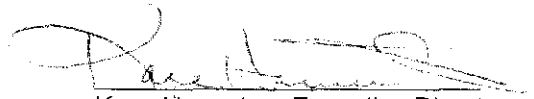

2. The Petition for Declaratory Statement is denied. The Board requires additional information regarding Lockie Johnson, Ph.D., including a copy of Dr. Johnson's curriculum vitae and independent verification from the states of New York and Connecticut that Dr. Johnson's license to practice psychology in those states is active and in good standing.

3. The Board further requires information regarding the nature of the proposed supervised practice, including a description of the types of professional activities in which the Petitioner will be engaged, as well as a description of the nature of the supervision to be provided by Dr. Johnson.

Statutory provisions on which declaratory statement is sought:

- (1.) Chapter 490.005 - Licensure by examination  
Subsection: 1C
- (2.) Rule #64B19-11.005 - Supervised experience requirements  
Subsection: 1C "supervisor"

Description of circumstances:

I am in the process of completing my Psy.D. in clinical psychology at the American School of Professional Psychology/Virginia. I have recently completed 2000 hours of supervised clinical experience at an APA approved psychology internship site, at the University of South Carolina.

I am now preparing for my post-doc residency year, in which I will complete another 2000 hours of supervised experience. My ultimate goal is to become a licensed psychologist in the state of Florida.

I am considering completing my residency hours at the American University of the Caribbean Medical School on the island of St. Martin. This school is under the jurisdiction of the Netherlands Antilles. My potential supervisor there, Lockie Johnson, Ph.D., is a graduate of Duke University and has been a licensed psychologist in both the states of New York and Connecticut. Currently, she is licensed by the Netherlands Antilles where she and I would be working.

I would like to request that the Florida Board of Psychology confirm the fact that my work with this licensed supervisor will meet the criteria for supervisory experience in the aforementioned statutory provisions of the Florida code.
