

RESUSCITATE FLORIDA

October 28th 2024

9:00AM-5:00PM

Registration begins at 8:30AM

Naples Grande Beach Resort

475 Seagate Drive

Naples, FL 34103

Conference Center

Important Note: The Resuscitate Florida was developed for those in attendance to take the information back and implement an educational program within their agency.

This is a FREE course offering courtesy of the Suwannee River AHEC under a contract from Florida Department of Health

This one (1) day course is designed to provide attendees both knowledge and practical applications to improve cardiac arrest survival within their communities. Ideal participants are the influential leaders of their organizations. Examples include Chief Officers, Supervisors, Quality Assurance Officers, Training Officers, Senior Firefighters, Lead Paramedics, ER staff, and Dispatchers.

Join the Resuscitate Florida leadership for a course that will transform the way you think about how pre-hospital and emergency room personnel manage cardiac arrest emergencies.
