**Funding Opportunity Announcement**

**FY 2024-2025**

**ADDENDUM II**

## **Changes to the FY 2024-2025 Funding Opportunity Announcement:**

### **Page 21: Correction – Grants start date.**

The grants begin date is an estimated date. A several factors can influence the actual start date of grants. The anticipated start date is April 1, 2025; however, contracts can be executed through June 30, 2025. For this reason, the budget template doe does not contain actual dates and the initial payment is fixed price based on the date of execution.
